JIM GORDON

WONDER MAN

NOTE:

Due to differences in printers and software, these decals might not print to the correct scale. Please print a test sheet first and compare the torso sizes to an actual minimate. Also, make sure to coat them with clear coat before using them.

Please do not sell these, redistribute these, or claim these are your own work. All character copyrights are held by their respective owners. These designs were created by Luke Porter in November 2008.
